Notice of Claim for Damages

ARIKA CO., LTD. (Head Office: Shinagawa-Ku, Tokyo / President: Akira Nishitani) have decided to file a civil damage claim against Mr. Takahiro Narazaki for the intimidation cases made against our company and executives, which we reported on October 25th this year.

Regarding the intimidation cases, it has been convicted as criminal cases. However, we are claiming because we have suffered damages such as investment in security equipment, costs for its implementation, legal fees, commuting costs, and loss due to the cancellation of an event we were supposed to attend.

We will continue to take a firm attitude against this kind of behavior.
